

Checklist for LtL Trainers Working in School or Nurseries

- I have no symptoms such as new cough, raised temperature, loss of taste or feeling ill.
- I am not part of a track and trace programme for Covid19.
- I have contacted the school the day before to check that it is appropriate that I still attend, and they understand the purpose of my visit.
 - The school is aware of our Risk Assessments and has their own.
 - The school does not have a current Covid19 outbreak or significant concerns.
 - The school has systems in place for access to a toilet should I need.
- I have a limited number of pupils or adults to work with (trainer included in total):
 - If we are working predominantly outdoors, then no more than 30 adults total.
 - We are not working with more than two classes in a day.
 - If we are working indoors, we have no more than 30 adults total.
- I will keep physical distance from other children and adults, including avoiding a staff room or shared toilets and wearing a mask in corridors.
- I will take my own lunch and refreshments.
- I will avoid public transport where possible.
- I have a personal hygiene kit with handwash, soap, towel, wipes, facemasks, and gloves, for my own use only.
- I have all my own equipment, from outdoor clothes, pens, outdoor play or learning equipment.
- I have either cleaned or quarantined (for 24 hrs) all equipment to be shared with pupils or adults.
- I will not give out handouts – information will be emailed.
- I have access to all the LtL Risk Assessments and Covid Policies – In-school delivery LtL.
